2022 Sauvignon Blanc

Edna Valley

Our '21 Sauvignon Blanc shows aromas of kiwi, bright lemon, pink grapefruit and overall luscious, tropical notes. The flavors transform you to Hawaii with passion fruit, guava, lychee and yellow pear. It finishes with a puckering peach flavor. Pair with a bright day, sushi or spicy Thai food!

2022 White Wine

66% Clairette Blanche, 34% Grenache Blanc, Santa Ynez Valley

This luscious bodied white blend features 2 native southern Rhône grape varieties. It gives aromas of creamy pineapple, lemon peel, white blossom and apricot. Upon tasting, flavors of underripe apricot, green apple, lemongrass, and wet stone quench one's thirst. Pair with oysters, lemony linguine with clams, and shrimp cocktail.

2021 Gamay Noir

Santa Barbara County

Our lightest bodied red wine is made from the same grape varietal of the wines that come from France's Beaujolais region. Our Gamay has inviting aromas of pomegranate, red currant, chai tea spices, purple florals, and subtle forest floor. Upon tasting, flavors of Bing cherry, candied strawberry, elusive white pepper, and wet stone captivate the mouth. This is the perfect wine for your holiday dinner.

2021 Red Wine

50% Barbera, 50% Sangiovese, Santa Barbara County

A wonderfully fresh daily-drinking Italian red blend with beautiful acidity, this wine showcases why Italian wines stand in the foreground of food-pairing. Our Red Wine has a medium body that features aromatics of bright red fruits like cherry and medium-ripe strawberry. The palate boasts notes of red plum, bing cherry, dried herbs, violet and a fresh acidity that will successfully pair with roasted turkey or prime rib.

2021 El Camino

60% Grenache, 30% Syrah, 10% Graciano, Central Coast

One of our most popular red blends, we are excited to be adding a touch of Graciano to our 2021 vintage, a native grape to the Basque Country in Spain. This blend showcases aromas of fig jam, wild berry preserves, and burnt cigar box. On the palette, experience juicy black cherry, savory plum and cocoa with white pepper and a slight earthy finish that shines through. Enjoy now or hang onto this one and enjoy how it develops for years to come!

2020 Syrah

Edna Valley

Everything you want from this varietal...a rich purple in color with lush aromas of fig, blueberry, baking spices, and white pepper wrapped up with soft vanilla. On the palette, flavors of bramble, candied toffee, blackberry compote, and rustic leather with a long finish. Pair with a juicy steak!
